The Theme of the conference is : **Reaching the Unreachable.**

The city Chandrapur was earlier known as 'Chanda' according to tradition and legend. The name of the place was 'Lokapura' which was first changed to ' Indpur' and subsequently to Chandrapur. During the British colonial period it was called Chanda district, which was again changed to its original name 'Chandrapur'. The city of Chandrapur has ancient temples of the goddess Kalikankalini, a form of the goddess Mahakali and of Anchaleshwar, a form of the God Shiva, also has different ancient places as Vairagad, Kosala, Bhadrawati.

We promise a very authentic cultural bonanza alongwith academics.
